YMVA Membership

There is still time to get your YMVA membership dues paid. The new directory will be out soon. Please forward your payment to George Fleming at 84 Donwoods Drive. Thank-you.

YMVA Annual General Meeting

**Saturday November 24th
9:00am until noon**

**St. Timothy's Anglican Church
100 Old Orchard Grove
(corner of Ridley and Old Orchard Grove)**

Beautification Committee

The Valley Beautification Committee is being reformed. This committee will get together and come up with a plan to improve the appearance of the Valley. These efforts will be supported by the York Mills Valley Association. The first project that we are looking at is the entrance to the Valley at Mill Street. Please call Katie McLean at 480-2726 or Tim Bates at 487-8359 if you are interested in participating.

As the school year begins and summer winds down, it seems like the Valley Fair of 2001 is so far in the past.

On behalf of the Valley Fair co-chairs Susanne Holland and Deirdre Cianciotta, we would like to take this final opportunity to thank all the Committee Heads, and volunteers for making this year's Fair so successful.

Without all the hard work put forth by these people the fair would not even happen let alone be such a success.

And thanks to all the Valley residents that attended. Your support is also vital to the success of the Fair year in and out.

**.
This is what makes this neighborhood so amazing; people donating their time, energy and skills to hold events such as this, year after year, that have now become community traditions.**

THANK YOU!
